

Cohesive Papers

*Easy to use packaging material
for containment and abrasion
resistant packaging applications!*

Pack & Guard™ Cohesive Paper

Pack & Guard™ Cohesive Paper is an economical and easy to use material that forms an enclosure to provide protection from dust and dirt where cushioning is not necessary. This cost effective material is ideal for containment and abrasion resistant packaging, as well as an excellent product for surface protection applications like furniture, bicycles, etc.

Pack & Guard™ Cohesive Paper Capabilities

- 40#, 50#, 70#, 90# and Specialty Paper Grades
- Heavy 42#, 56# & 69# LinerBoard, and 8pt & 10pt PaperBoard also available
